

REFERENCE: CORPORATE FINANCE 1

M&A INTERNSHIP **AREA: CORPORATE FINANCE** **BNP PARIBAS SUCURSAL EN ESPAÑA**

Who are we looking for?

Recently graduated students that share and reinforce our main corporate values; full commitment, responsibility, agility, compliance culture, restlessness to learn and get over yourself.

We are searching for a person with a great capacity to adapt, ability to work under pressure, team spirit, flexibility and initiative. Is that you?

What do we do?

BNP Paribas Corporate Finance is a world-class team of 450 committed professionals spread across the five continents, focused on bringing to its clients strategic solutions on mergers, acquisitions, primary equity capital markets transactions and corporate restructuring.

BNP Paribas Corporate Finance Iberia represents a relevant piece within the international practice of the Group, consistently ranking among the top 10 advisory firms over the past years, either in M&A and Equity Capital markets, having advised on the most emblematic transactions to either public listed and private held corporates.

Based in Madrid, our Corporate Finance franchise leverages on one of the largest platforms amongst the international banking community, including a well cohesive team formed by highly experienced professionals with a strong and well developed expertise in Corporate and Investment Banking.

Job description

The selected candidate will give direct support to the whole team, from Analysts to Managing Directors, having the opportunity to get exposure to a wide range of industries (Financial Institutions, Infrastructure, Energy, TMT, Real Estate etc.) and companies, in coordination with our industry specialised teams based in Europe, in a multi-disciplinary and demanding environment requiring strong multi-tasking and analytical skills, as well as an excellent team player aptitude.

- ✓ Transaction origination including market screening, analysis of investment opportunities, management of databases, and assistance in preparing client presentations
- ✓ Company valuation, including assistance in conducting valuation analysis of specific companies as well as most common valuation methodologies (DCF, Transaction multiples, Trading multiples).
- ✓ Transaction execution, including assistance in the elaboration of transaction documents (teasers, information memorandum) and data room management, being fully part of the execution team.

What do we offer?

- ✓ Internship agreement for 6 months.
- ✓ Schedule_ Full-time (09:00 AM – 18:00PM)
- ✓ Motivational environment where teamwork prevails, being the client our priority.
- ✓ Work hand by hand with the best professionals that will help you to increase your capacity of autonomy, management and business view

Requirements:

- ✓ Full commitment and dedication
- ✓ Looking for people recently graduated in Business Administration / Engineering + Business (or related degrees) or with just the Final Project left
- ✓ English level – High (C1 – Advanced)
- ✓ French will be a plus
- ✓ Proficient knowledge of Microsoft Office Tools
- ✓ Financial databases knowledge will be a plus (Ex. Bloomberg, Thomson, FactSet, Mergermarket, etc)

MANDATORY: Include academic records. Minimum Score Required 8/10.
